

## Loan Agreement for Interactive 9-1-1 Simulator

The Retina Systems, Inc. Interactive 9-1-1 Simulator is the property of the Kansas SAFE KIDS Coalition and is available on loan through the Kansas State Fire Marshal's Office (KSFM). Any organization borrowing the simulator agrees to use it with reasonable care and return it to the KSFM by the date specified. If returned by mail, UPS or other delivery service, the borrower agrees to insure the simulator for the amount of \$2,400. Any problems with the simulator must be reported to the KSFM when it is returned.

The borrower must also agree to keep a count or make a reasonable estimate of how many persons were trained using the simulator. This information is used to justify the purchase of the simulator and for future funding opportunities/grants. There is no charge to the borrower except return postage and the cost to insure the simulator.

Complete the information below, then sign, date and fax it to 785-296-0151 attention Youth Programs. You must provide a phone number where the responsible party can be reached during business hours and a fax number where we can forward "Confirmation".
